## Inventing a New Ice Cream Flavor

**Directions:** Visit the [Flavor Lab](#) to create your very own ice cream flavor. Print out a copy of your final product and glue it below.

**Name of Flavor:** \_\_\_\_\_

**Description of Flavor:**

---

---

---

---

**Glue or draw a picture of your new flavor and package.**

# Advertising Your New Ice Cream Flavor

**Directions:** Now that you have invented a new flavor and package, you want the world to know about it. In the space below, design a poster advertisement that will make people want to buy new ice cream. The poster should have a title, a short description, be very colorful, and have your name on it.
